Dear Sir or Madam:

PUBLIC  
COMM

This is a letter of support for Cumberland Cellular Partnership in its application to the Public Service Commission of Kentucky for construction and operation as a new cell facility to provide cellular radio service located at 900 KY Old Loop #3, Monticello, Kentucky 42633. My farm and house is approximately 300 to 400 yard of where the tower will be located and believe this new service will be an asset not only for my and my cellular service and for the county as a whole. Your positive consideration of this application will be appreciated.

Sincerely,

*Lance and Naomi Duncan*
